

Registration and Tuition Terms

We are Licensed for children ages 24 months through kindergarten.

A non-refundable registration fee of \$150.00 per enrollment is required upon enrollment, and a last week's fee must be paid in advance (this amount must remain current with the tuition rates and program changes).

Upon enrollment, payment will be accepted in the form of checks, money order, cash or credit card. Written receipts are provided upon request. End of year statements are not provided.

Tuition payment is due on the first day of your child's attendance with us each week. If you prefer to pay monthly or bi-weekly, that may be done in advance.

There will be a \$30.00 late fee charged, per week, if payment is made after Wednesday morning of each week.

We reserve the right to refuse service to anyone.

Magic Hours reserves the right to remain exempt from any and all legal procedures between parental partners.

The enrolling adult is financially responsible for tuition. Payment from the enrolling parent only will be accepted.

Any fee charged to Magic Hours by the State Department of Social Services, that is due to negligence on the part of any parent will be a fine assessed directly to the parent.
