

Abstenteeism & Attendance

If your child is with us at anytime during the week, then the full tuition is owed for that week.

If your child misses everyday that week, whether through illness or vacation, then half the tuition amount is due.

Should you plan to withdraw your child for more than 30 days, a re-registration fee of \$150.00 may be paid before you leave to guarantee a place when you return.

Parents are required to give a one-week advance notice when enrollment is discontinued.
